

TSX MOC Imbalances

[Refresh](#)

At 3:40 pm ET the surplus/demand for Market On Close (MOC) orders on TSX MOC eligible stocks are calculated and published to the marketplace. This interest is published in order to solicit offsetting liquidity and promote fair price discovery at the close. This page contains intra-day information on TSX MOC imbalances, and is intended for use by market participants participating in the TSX MOC program. As this web page does not automatically update, please click on the Refresh button at the top of the page each time you wish to obtain the most current data available. The MOC Imbalance information appearing on this webpage is also available through vendor workstations connecting to TSX's real-time data feeds.

- [TSX MOC Imbalances - Price Movement Extension \(PME\)](#)

The table displays the MOC messages for the current trading day. The MOC message is broadcast at 3:40 pm ET (and 4:00 pm for symbols where a PME is necessary) and the CCP, VWAP PME Imbalance Volume and PME Imbalance Side will be displayed at 4:00 pm ET only when a stock has violated the price movement extension parameter.

All TMX MOC related information, company information and intraday data are provided by TMX for informational purposes only. Please refer to the associated time stamp on this web page to obtain the page of the data. All times indicated are Eastern Time. TMX and its affiliates do not guarantee the sequence, timeliness, accuracy, or completeness of any MOC related information or other data displayed, and are not liable or responsible in any way for any delays, inaccuracies, or errors in any MOC related information or other data displayed. Prior to making any investment decision, it is recommended that you consult directly with the individual or firm and seek advice from a qualified investment advisor. Neither TMX nor any of its affiliates makes or has made any recommendations regarding the securities or investment services of any person or entity with respect to the content of this web site, including, without limitation, the information available or of the advisability of investing in securities generally for any particular individual.

You agree not to solely rely upon the MOC related information or other data displayed for any trading, business or financial purpose and TSX and its affiliates are not liable or responsible in any way for any damages, losses or costs arising from reliance on this information or incurred as a result of the nonperformance, interruption or termination for any reason whatsoever of the MOC related information or other data.
